This warranty is limited to the value of the RV Cover. ADCO warrants, to the original consumer purchaser, this product to be free from defects in material and workmanship for a period of 3 years from the date of purchase. A receipt will be necessary to establish the purchase date and facilitate a return. Please hold on to it.

Should this product be found to be defective within the warranty period, Coast to Coast RV Services reserves the right to repair or replace the cover. If replacement is necessary, Coast to Coast RV Services will only replace the cover one time during the warranty period. The customer will be responsible for shipping the cover back to Coast to Coast RV Services.

This cover came with a few sheets of adhesive reinforcement material. Please use this material to repair small holes or tears in the event of minor damage. We recommend applying the patch material to both inside and outside of a damaged area. Also, round the corners of the patch material with scissors to prevent peeling.
