

CAMEC MULTI FUNCTION MICROWAVE AIR FRYER CONVECTION OVEN 28L

Introducing CAMEC's Multi-Function Microwave. If you are challenged with limited space in a caravan, this innovative product is designed to fit in your caravan kitchen area without taking up too much space. Combine the convenience of a microwave with the versatility of multiple cooking functions, revolutionising the way you prepare meals while travelling.

Features

Microwave Functionality: Quickly heat up and defrost meals with the touch of a button.

Air Fryer Capability: Enjoy crispy and delicious fried foods using little to no oil, thanks to the built-in air frying technology. Healthier cooking has never been easier!

Convection Oven Mode: Achieve perfectly baked goods and evenly cooked dishes with the convection oven function. The fan circulates hot air around the food, ensuring consistent results every time.

Grilling Options: Expand your culinary repertoire with the grill settings, allowing you to cook a wide variety of dishes to perfection.

Auto Cooking Programs: Take the guesswork out of meal preparation with 8 pre-programmed cooking modes for popular dishes. Whether you're making popcorn or grilling a chicken, the Multi-Function Microwave has you covered.

Large Capacity: The microwave can accommodate large dishes and multiple servings, ideal for families or entertaining guests.

Easy to Clean: Removable parts and non-stick surfaces simplify cleaning, reducing maintenance efforts and keeping the appliance in top condition.

Space Efficiency: By combining multiple cooking functions into one appliance, the Multi-Function Microwave helps declutter your kitchen and optimize space utilization.

Cost-Effective: Investing in a single appliance that offers multiple functions can be more cost-effective than purchasing separate devices for each cooking method.
