

sphere S7 Series

It's important to relax on your holiday, but you don't have to give up technology! The new Sphere S7 range of HD TVs with in-built DVD players are built tough for Australian conditions, featuring a Vibration Smart design specifically intended for Australian RV application.

Sphere's new S7 TVs come with an easy to use remote with one-touch digital tuning and the base can be removed for wall or TV arm mounting. They run on 12V, or 240V with the supplied adaptor. With a sleek, premium modern design and three different sizes to choose from, the S7 Series will fit into and compliment any RV living space!

The S7 range also introduces Sphere's first Smart TV for Australian RVs and Caravans. Stream the latest content from Netflix, Stan, and YouTube, or shop online with EBay or Amazon right from your RV's TV!
