ULTRA

Saracen® Hitch Lock

Product Code: SHL100

The Saracen® Hitch Lock is made from specially hardened high strength steel which is resistant to cutting and drilling.

For added security the Saracen® Hitch Lock incorporates a high-security, 7-lever barrel lock, resistant to picking, drilling and gas freezing.

The Saracen® Hitch Lock is suitable for most Caravans, Camper Trailers, Boat Trailers & General Purpose Trailers fitted with a 50mm ball hitch and is designed to secure the vehicle by preventing it from being towed away.

Registered Design #347139

Saracen® Gullwing Hitch Lock

Product Code: FHL555

The Saracen® Gullwing Hitch Lock is designed to fit AL-KO AKS2004 and AKS3004 stabiliser hitches fitted to European Caravans such as Bailey, Swift and Adria.

The Hitch Lock wraps itself around the handle of the Hitch and pivots down one side, fixing to an anchor point on the side of the hitch.

The Saracen® Gullwing Hitch Lock is highly secure and can be fitted with one hand in under 10 seconds.

For use both Hitched & Unhitched.

Comes complete with its own neat storage bag.

Saracen® Ultra Hitch Lock

Product Code: SHL300

For use both Hitched & Unhitched.

Compatible with standard 50mm ball hitches:
AL-KO • Trigg Bros • Meher • Trojan
Most other standard Australian Ball Hitches.

Unbeatable Features:

- High security hitch lock
- Quick and easy to fit
- Made from high strength composite metals
- High-security 7-pin cylinder lock
- Tubular high-security key
- Resistant to cutting, picking, drilling & gas freezing
- Suits most Australian Caravan & Trailer Ball Hitches.
